Adult Volunteer:

I _____ agree to go and participate as an adult volunteer with the PCN mission trip to the Dominican Republic during the summer of 2015. I understand that after Feb 1st there will be no refunds if I opt to not go on the trip. I understand that by participating in this trip I will be part of the leadership team and will be called upon to assist Jeff and Amanda where possible to make this trip a safe and successful trip for all our youth. I understand that I will be expected to attend some adult training meetings as well as fully participate in all activities that will be set up during the trip: for example, working with youth during a kid's program, helping with minor construction and/or other service projects Merge will have for us while in the Dominican Republic. I have read the mission trip covenant and agree to the expectations that have been set forth for all participants who are going on this mission trip.
